

List and describe any technical or practical skills you have developed on your own, through **work experience**, or class work (e.g. public speaking, leadership skills, map reading, use of hand tools, engine repair, plant or animal identification, tree measurements, tree felling, data collecting, first aid, web design, etc.):

III. Essay

Write a short essay (typed and about 1 page) describing your progress in your major(s), and your professional/career goals after completing your degree. Your essay should provide the scholarship selection committee with insights about you as a person. The committee will consider both content and grammar of your essay in awarding scholarships. Please attach your essay to this application.

IV. Acknowledgments

By applying for a School of Agricultural Sciences and Forestry scholarship, I agree to the following statements:

1. I confirm, to the best of my knowledge, that all information provided is correct.
2. If I change my major to one outside the Forestry or GIS degree programs, the remaining portion of my scholarship will be revoked.
3. By accepting a scholarship, I am willing to attend the annual scholarship banquet.
4. By accepting a scholarship, I agree to allow the School of Agricultural Sciences and Forestry to use my name, photograph, or biographical information in news releases and promotional information.
5. By accepting a scholarship, I agree to notify the donors of my acceptance and appreciation. You will be provided appropriate donor names and addresses.
