

List and describe any technical or practical skills you have developed on your own, through work experience or class work (e.g. public speaking, leadership skills, map reading, use of hand tools, engine repair, plant or animal identification, tree measurements, tree felling, data collecting, first aid, web design, etc.)

### III. Essay

You must include a short essay (typed and about 1 page) describing professional/career goals after completing your degree. Your essay should provide the scholarship selection committee with insights about you as a person. The committee will consider both content and grammar of your essay in awarding scholarships. Please attach your essay to this application.

### IV. Acknowledgments

By applying for a School of Agricultural Sciences and Forestry scholarship, I agree to the following statements:

1. I confirm, to the best of my knowledge, that all information provided is correct.
2. If I change my major to one outside the Forestry or GIS degree programs, the remaining portion of my scholarship will be revoked.
3. By accepting a scholarship, I am willing to attend the annual scholarship and awards banquet.
4. By accepting a scholarship, I agree to allow the School of Agricultural Sciences and Forestry to use my name, photograph, or biographical information in news releases and promotional information.
5. By accepting a scholarship, I agree to notify the donors of my acceptance and appreciation. You will be provided appropriate donor names and addresses.
